

PERSONAL INFORMATION

Dr Alain Tamoffo

📍 Climate Service Center Germany (GERICS), Helmholtz-Zentrum Hereon, Fischertwiete 1, 20095 Hamburg, Germany

📞 0049 1575 7876 079

✉️ Alain.Tamoffo@hereon.de

Sex Male | Date of birth 27/11/1989 | Nationality Cameroonian | Civil state Married

RESEARCH EXPERIENCE

2023 - Present

Postdoctoral researcher at GERICS

I investigate processes associated with the diurnal cycle of precipitation over West Africa at a Convection-permitting scale

2021 - 2023

Postdoctoral researcher at Kwame Nkrumah University of Science and Technology (KNUST) and visiting scientist at GERICS

I assessed precipitation processes and their variation in regional climate projections under global warming in the Congo Basin.

2021 - 2024

Climate researcher

Researcher within the Regional Working Group of CLIVAR/GEWEX Monsoons Panel for the Central Africa

2016 - 2019

Climate researcher

LMI DYCOFAC (IRD, University of Yaoundé 1, IRGM), IRD BP1857, Yaoundé, Cameroun

I investigated how global warming will impact the Congo Basin climate system.

2016 - Present

Climate researcher

Member of team CORDEX-Africa

I investigated how Regional climate Models reproduce inter-linkages between precipitation and processes responsible for their generation. Also, I investigate how these inter-linkages will react to global warming.

Temporary signing officer, Physics department, University of Yaoundé: Atmospheric boundary layer, Master 1 level.

EDUCATION AND TRAINING

2016 - 2021

PhD. Dissertation in Atmospheric Physics

University of Yaounde I, Yaoundé, Cameroon

Thesis: Implications of global warming levels of 1.5°C and 2.0°C in the Congo Basin: Assessment of RCA4 Regional Climate Model

- 2013 - 2015 Master degree in Atmospheric Physics
 University of Yaounde I, Yaoundé, Cameroon
Thesis: Daily characteristics of Central African rainfall in REMO model
- 2010 - 2012 Bachelor degree in Applied Physics
 University of Yaounde I, Yaoundé, Cameroon
Applied Physics
- 2009 High School diploma
 Mbouda High School / Cameroon
Life and Earth Sciences - Physics, Chemistry, Mathematics

PERSONAL SKILLS

Mother tongue **French**

Further languages	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	Intermediate	Intermediate	Intermediate	Intermediate	Intermediate
German	A2	A2	A2	A2	A2

Communication skills good communication skills gained through my experience as teacher at High school and University (University of Yaoundé I).

Organisational / managerial skills leadership (during investigations of impacts of global warming at 1.5°C and 2°C levels over the Congo Basin climate, 17 peoples)

MENTORING OF MASTER AND PhD STUDENTS (ONGOING/COMPLETED WITH WORKING TITLES)

Subject titles

Kevin Kenfack (2020-present)

Modulating effects of the hydrological cycle in the Congo Basin:
 characterisation of dynamic versus thermodynamic contributions under global warming

Hermann N. Nana (2020-present)

Seasonal Forecasts in Central Africa: Identification of Key Predictability Sources and Evaluation of NMME Models

Dorcas Daniella Ebedi Nding (Completed)

Projected changes in extreme precipitation and temperature events over Central Africa inferred from CMIP6 models

Digital skills

SELF-ASSESSMENT				
Information processing	Communication	Content creation	Safety	Problem solving
Independent user	Proficient user	Proficient user	Independent user	Proficient user
<p>-Good knowledge of weather and climate observation software under LINUX/UNIX environment such as:</p> <ul style="list-style-type: none"> - NCL (NCAR Command Language); - CDO (Climate Data Operators); - R - NCView; - NCO (NetCDF Operators); - Shell code - Running of a land model (ICTP CHyM hydrological model) - Running of an Atmospheric model (RegCM5) - Good knowledge of NetCDF and ASCII file systems - Basic knowledge of languages and programming software such as: Python, R, Fotran 90 (A Programming Environment for Data Analysis and Graphics). - Knowledge of Microsoft OfficeTM software (WordTM, ExcelTM and PowerPointTM), Libre Office (Presentation) and LATEX. 				

Advisory boards

Review Editor for Frontiers in Environmental Science

- Earth and Space Science
- Geophysical Research Letters
- Climate Dynamics
- Journal of Climate
- International journal of climatology
- Scientific Report

Presentations

- From 17 to 20 May 2016, presentation of a poster at the “**International Conference on Regional Climate, ICRC CORDEX 2016**” at Stockholm, Sweden (Certified).
- From 06 to 11 May 2018, poster presentation at the “**8th GEWEX Open Science Conference, Extremes and Water on the Edge**”, in Canmore, Canada.
- From 12 to 14 November 2018, presentation of a poster at the "AMMA-CATCH" conference: "**Enjeux et Actualités des Observatoires de la Zone Critique en Afrique**" at Niamey, Niger (Certified).
- From May 26 to June 7 2019, oral presentation at the “**Fifth Workshop on**

Conferences Seminars

Water Resources in Developing Countries: Hydroclimate Modeling and Analysis Tools” at ICTP, Trieste, Italy (Certified).

- From 17 to 28 June 2019, oral presentation at “**The 9th ODC training course on climate dynamics and air-sea interactions**” at Qingdao, China (Certified).
- From 14 to 18 October 2019, poster presentation at the **“International Conference on Regional Climate, ICRC CORDEX 2019, Beijing, China”**
- From 25 to 29 September 2023, poster presentation at the **“International Conference on Regional Climate, ICRC CORDEX 2023, ICTP, Trieste, Italy”** (Certified).
- From 02 to 06 October 2023, attendance in the **“11th Workshop on the Theory and Use of Regional Climate Models”** at ICTP, Trieste, Italy (Certified).
